

Here's what Richard Branson, Elon Musk, and 22 other successful people ask job candidates during interviews

Savvy CEO and executives know that interview questions like "What's your biggest strength?" and "What's your biggest weakness?" are often asked. Instead of more generic questions, they use them to get a better sense of the candidate's personality and skills.

Many top execs have their one favorite go-to question that reveals everything they need to know about a job candidate.

Here are 24 of them.
